As America's sixth-oldest college, Moravian University (MU) has been a little revolutionary from the start. The University has been pushing boundaries in small ways that have big (lasting) impacts since 1742. That's

The professional development opportunities. Some of these opportunities include volunteering, hands-on learning, preparing for graduate school, securing internships and finding part-time and full-time jobs. The center also assists employers and community organizations with recruitment needs

while providing significant educational benefits to the
